242___REMINISCENCES OF A STOCK MARKET FLEA: James J Houts, Cheyenne Spring Publishing, Reminiscences of a Stock Market Flea takes us on an investing adventure spanning more than three decades; from the dog days of Dow 800 in the late 1970's, through the roaring eighties on Wall Street, the crash of 1987, the historic bull market lead-up and subsequent crash of 2008, the generational bottom in March 2009 and the Federal Reserve pumped recovery since., $9.95, PB ISBN 13: (978-1-466-43079-2) ISBN 10: (1-466-43079-6) 2014., USD9.95, PB ISBN 13: (978-1-466-43079-2) ISBN 10: (1-466-43079-6) , BUSINESS & ECONOMICS > Personal Finance > Retirement Planning, Awards and Reviews: This is a fascinating book about not only options trading, but also the history of the business. It achieves its objectives admirably, and is a very good read.

Victoria

The book is an extremely well written guide to investing for the layperson. The material is easy to read and amusing; the tone is light and casual while the book still manages to be very informative. The movie analogies work very well.

Brian B.

749___CHECK YOUR DRAWERS: And Other Timely Advice For Managers. Robert B. Eaton, Lora Schrock, Lakeisha Wheeler. Robert B. Eaton, Have you ever heard someone say "Get Your Head In the Game!" well Check Your Drawers is essentially about that. I had to go through a temporary demotion from district to unit manager before I realized the difference of being a boss and being the manager. Being a good manager takes uncommon sense. If it were common then more managers would be successful. The uncommon sense it takes is multiple perspectives, seeing through the smoke. Anticipating the consequences and controlling them in advance, that is what this book is about., $18.95, PB ISBN 13: (978-1-496-11416-7) ISBN 10: (1-497-59246-1) 2014., USD24.95, HC ISBN 13: (978-1-497-59246-9) ISBN 10: (1-497-59246-1) 2014, BUSINESS & ECONOMICS > Management, Awards and Reviews: Bob, I have enjoyed reading "Check Your Drawers" and there are at least 76 reasons why any leader in business, at any level, must have this on their "must read" list. It is practical, it has truth woven throughout, and the feature I really liked were the "Important Concepts" at the end of each chapter. C. D. "Hoop" Morgan, III

This is my first self-published book a few months ago, and this is my first promotion outside the Chicago area. The book is available mainly at Amazon.com and other major bookstores. It is also approved and available at the National Hellenic Museum of Chicago, local bookstores and libraries and some Greek orthodox churches in the Chicago area.
Since my name is unknown and my finances limited, I do the best I can to have my book read by someone who appreciates a unique non-fiction book, touching, exciting educational and historical.
Thank you!
