Welcome to the 2016 London Book Fair at Olympia Exhibition Centre,

The London Book Fair and the New Title Showcase organized by the Combined Book Exhibit welcome you to the 10th edition of the Annual London Book Fair New Title Showcase with available rights on display. We are proud to present upwards of 750 print titles and ebook titles.

We are pleased that you have taken the time to visit this special exhibit, and invite you to peruse the hundreds of titles and publishers on display. This catalogue provides you with their company, contact, and other relevant information so you can contact them after the show has ended.

In addition, all titles will be included on a New Title Showcase searchable database, and can be found at **http://NewTitleShowcase.com**.

Please take this catalogue with our compliments, and keep it along with your London Book Fair show directory as a record of what you saw, and whom you visited at the 2016 Fair.

At the conclusion of the London Book Fair, this catalogue will be available on the London Book Fair web site (www.londonbookfair.co.uk), and the Combined Book Exhibit web site (www.combinedbook.com) in pdf format.

Once again, thank you for visiting this Pubmatch Bookshelf, and we hope you have a successful and rewarding experience at this years show.

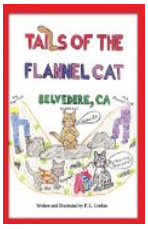
189___EARTH OUR COUNTRY: Al Andreoli, Dorrance Publishing, Our World's political fragmentation is turning obsolete. The countries anarchy prevents us to continue to flourish and ultimately succeed to build a truly liberal, sustainable and humanistic society, while the ecologic wall stands in front of us., $39, PB ISBN 13: (978-1-480-91048-5) 2014, POLITICAL SCIENCE > General

190___GOING TO CHURCH: Michael Paladine, Dorrance Publishing, For Mark David Palmer, life just sucks. What could be worse than having your team lose in the World Series, your girlfriend finally calling it quits after three years, and getting a ticket for something like stretching out inside a train? Plain bad luck or whatever, wouldn?t it be nice to have a chance to go back to your past life and, equipped with new insight, do it all over again?, $21, PB ISBN 13: (978-1-434-91528-3) 2012, RELIGION > General



191___TAILS OF THE FLANNEL CAT:: Belvedere, Ca P.L. Conlan, Dorrance Publishing, Inspired by P. L. Conlan's experiences with her very own three cats, Tails of the Flannel Cat: Belvedere, CA introduces us to three lovable creatures: Storm, November, and Roy. These clever cats depict the characteristics of strength, compassion, and knowledge. In a home, there is love, history, and family. Memories, experiences, and adventures are what connect us to the people we love. A house is built with "things." A home is built with "love.", $26, HC ISBN 13: (978-1-480-92009-5) 2015, JUVENILE FICTION > General

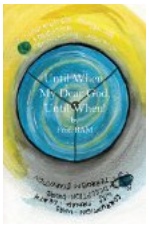
192___TARUM: The Beginning James Kotolo, Dorrance Publishing, Tarum: The Beginning tells the story of Robyn, a young Lumino whose soul (originally known as Yola) has reincarnated once more and people are now searching for her. She loses her parents while young, but is protected by her foster uncle and aunt who teach her to use her abilities., $12, PB ISBN 13: (978-1-480-91670-8) 2014, FICTION > General

193___THE GUNPOWDER RUN: Richard Wild, Dorrance Publishing, The date is July 1914. The first global war of the modern age is unfolding - and it knows no borders. Nations once at peace with one another are torn asunder, thrust into a battle that those on the frontline - both on land and at sea - can little comprehend., $19, PB ISBN 13: (978-1-480-91107-9) 2014, FICTION > Historical

194___THE SECRET(S) AND ISLAM: THE ULTIMATE LAW OF CHANGE: Abdulaziz Imad Al-Ateeqi, Dorrance Publishing, In The Secret(s) and Islam, Abdulaziz examines the Law of Attraction and the role of external forces in shaping one's behavior. He points out the psychological mechanisms by which the media, for example, has been trying to influence our thinking, in the process giving us the same means by which to wrestle back control of our own minds, and ultimately, of our own lives., $13, PB ISBN 13: (978-1-434-90554-3) 2010, RELIGION > General

195___THE VAIN MERMAID: Bill Glass, Dorrance Publishing, Once upon a time, a king of Scotland granted a coat of arms to a man named Glass. In the center of the shield was a red fleur-de-lis, among three red stars, on a silver field, surrounded by a red border. The crest of the helmet was in the image of a bare-breasted mermaid with a comb in her right hand and a mirror in her left., $53, HC ISBN 13: (978-1-480-91708-8) 2014, HISTORY > General

196___UNDER THE SMILING MOON: Patrick Miele, Dorrance Publishing, What is the great divide among the living? Arguably, it lies in the matter of available time and the use of it to ruminate on the nature of existence. Those who work daily barely have time to ponder about their lives. Hence, in the past, the task of questioning the essence of life fell into the hands of the so-called leisure class. Those who manage to break the norm will find that such opportunity comes at a time when the body has endured so much already, and what little precious time left is divided in musing and search for physical comfort., $27, PB ISBN 13: (978-1-480-90239-8) 2013, BODY, MIND & SPIRIT > General



197___UNTIL WHEN, MY DEAR GOD, UNTIL WHEN!: Prof. RAM, Dorrance Publishing, Until When, My Dear God, Until When! is a thought-provoking work which articulates the author's innovative theories on employing modern day hi-tech to educate "all, at the same time and of the same quality." The innovation to this intriguing idea was born of fifty years of teaching experience., $16, PB ISBN 13: (978-1-480-91059-1) 2014, EDUCATION > General

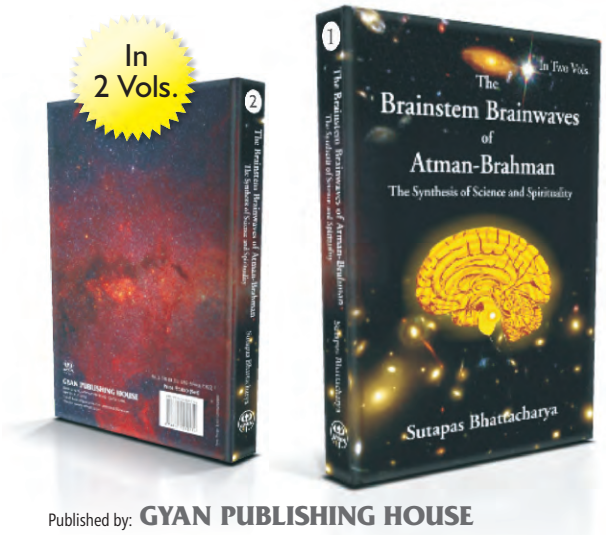
The Brainstem Brainwaves of Atman-Brahman

The Synthesis of Science and Spirituality

—Sutapas Bhattacharya



Published by: **GYAN PUBLISHING HOUSE**

- **ISBN:** 978-81-212-1221-2 (Set) **Price:** ₹ 1850 (Set) US$ 29 (Set)
- **Vol. 1:** ISBN: 978-81-212-1282-3 (**Price:** ₹ 925)
- **Vol. 2:** ISBN: 978-81-212-1283-0 (**Price:** ₹ 925)

This remarkable book undermines both the Physicalist-Materialist ontology of Science which imagines Consciousness to be a latecomer in material evolution as well the Theistic mythology of most religions which imagine a man-like God distinct from Nature and Humanity. It also resolves definitively the central problems of Eastern and Western philosophy.

It makes fools of many of the most famous Western scientists and philosophers who have tried to reduce Consciousness and Spirituality to fit in with their Materialist preconceptions using magical notions such as 'Emergence'. It explores the 'Politics of Knowledge' exposing how Western academics and New Agers continue to peddle White Supremacist myths which conflate 'European' with 'Scientific' and give false credit to 'Ancient Greeks' and modern Westerners for Indian inventions. It shows how Western scholars of Religion fear the threat of a Universal Spiritual Philosophy based on Hindu-Buddhist NonDualism and thus peddle false myths denying a common core Universal Mysticism (or 'Perennial Philosophy') that underlies the myths of seemingly divergent religious traditions. It also shows how the metaphysical interpretation of Quantum Theory leads to the same Transcendental Reality & Nonlocal Wave Structure underlying Matter (and the so-called 'Laws of Physics') revealed by Yoga.

The Author: **Sutapas Bhattacharya** (www.sutapas.com) was born in India in 1964 but has lived in London since 1967. In 1986 he graduated with a First in Molecular Biology (London University) with prizes for top student in Biology. Having published a metaphysical paper arguing for Panpsychism in 1983, his real ambition was to explain Consciousness as Science could not do so. In 1994 he identified the physical correlate of the Divine Light (*a.k.a.* Pure Consciousness, *Atman*, Godhead etc.) with the brainwaves of the Reticular Activating System. This epoch-making discovery undermines both the Physicalist-Materialist ontology of Science as well as all Theistic religions. It also resolves definitively the central problems of Eastern and Western philosophy; i.e. the real meaning of Mystical Union and the Ontological Status of Consciousness. His 1999 book showed how the physical phenomena of Science as well as Consciousness and mystical phenomena, inexplicable to Physicalist science, can be integrated by grounding Science in a truly universal metaphysics based on Universal Consciousness and its energetic vibrations. It received remarkable plaudits from scholars familiar with Science-Mysticism interrelations (*See quotes on page 3 of* www.sutapas.com)

For the full evidence confirming RAS correlation see **http://www.sutapas.com/Page_4.html**

The Book: The Divine Light (Pure Consciousness) is central to Hinduism, Buddhism, Christianity, Islam/Sufism, Platonism/Neoplatonism, Gnosticism and Hermeticism. It is the Universal Spirit within us. With masses of evidence drawn from scholarly sources, this book demonstrates how the archetypal spiritual experiences underlying religious myths are explained scientifically based on the true scientific explanation of The Light and of enlightenment. This overwhelming evidence provides the 'Authority of Evidence' which, combined with rigorous argument, allows the author to repudiate famous Western thinkers including Nobel laureate scientists in regard to Consciousness and Spirituality. Dominant Western academic myths denying the possibility of unmediated, mystical knowledge of the Transcendental Realm underlying natural phenomena are undermined along with the West's false pretensions to Universality. In so doing the author exposes the Institutional Racism of Western Academia which peddles Eurocentric and White Supremacist myths about 'Ancient Greeks' and the History of Science and refuses to take seriously non-European metaphysics. In establishing the One True Ontology, not only does this book truly integrate Science and Spirituality, Eastern and Western philosophies etc. but it also demonstrates that 21st Century Science actually resembles Ancient Indian metaphysics rather than the invalid, Anthropocentric myths of 'Ancient Greek' and Modern Western philosophers.

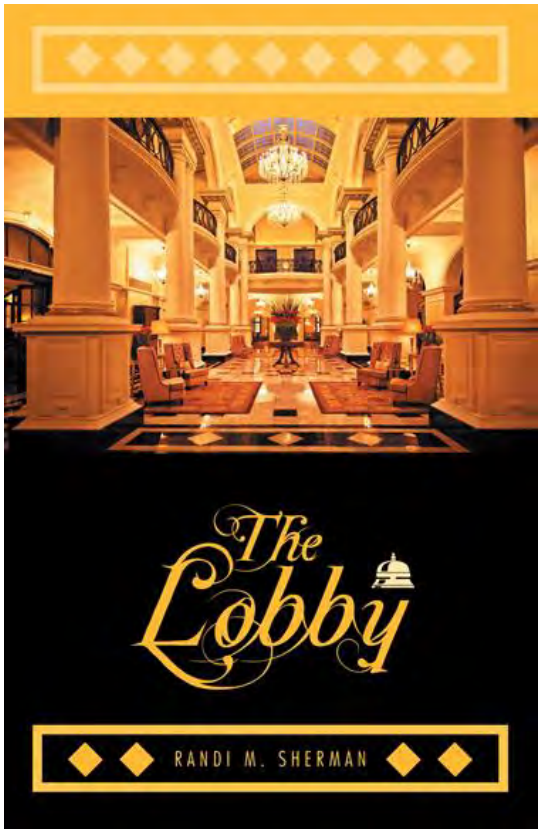
A HILARIOUS LOOK AT THE LIVES OF THOSE PASSING THROUGH AN UPSCALE SAN FRANCISO HOTEL

The Lobby

by RANDI M. SHERMAN



Reminiscent of ***Grand Hotel*** and Neil Simon's ***California Suite***, **THE LOBBY** (Friesen Press; March 2016) by Randi Sherman, sheds a hilarious spotlight on the comings and goings of anonymous people who come to life in the lobby of the grand Shipley Hotel. Practically engineered for eavesdropping, San Francisco's juiciest hotel lobby offers the perfect place to witness the lives—and the most comedic intersections off staff, long-term residents, and eclectic guests.

Featuring over fifty stories all transpiring in a single twenty-four hour period and intersecting in the Shipley's elegant lobby, readers will meet an eccentric and vast array of characters, most of whom will look awfully familiar and all of whom will speak to the heart.

ABOUT THE AUTHOR

Employing acute skills in human observation and a keen understanding of the essential human needs – frequently unplanned and unexpected rendezvous, ready laughter and maybe even a little love and acceptance, Randi M Sherman's unique wit and candor invites the reader to get comfortable (on the exquisitely upholstered lobby couch) and spy on those checking in and out of the Shipley Hotel.

The Lobby is Sherman's fourth novel. Her third novel, *The Truth About Caroline* is a continuation of the story begun in *Caroline Starts Over*. Her first book, *Paula Takes a Risk* was released in 2012. Sherman lives in Sonoma, California.

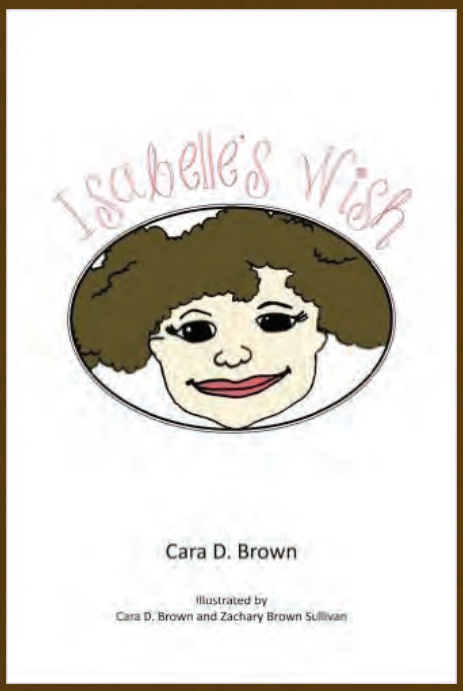
Isabelle's Wish

Cara D. Brown

$8.95 • 48 pages • 978-1-47597-421-8

Will *Isabelle's Wish* Come True?

Cara D. Brown offers young readers an engaging picture book on friendships and relationships



What would young Zachary and Isabelle discover as they enter the Haunted House and meet someone who looks likes their mother? Children are about to discover the value of friendships and relationships in author Cara D. Brown's picture book, *Isabelle's Wish*.

Young siblings Zachary and Isabelle live with their parents in Fairfax, Virginia. One Friday afternoon, on their way home from school, Isabelle notices a haunted house. She enters this mysterious abode, with Zachary close behind, and what greets them is a shocking surprise. They discover a woman who closely resembles their mother. Now, they have to look in deeper to find out who this mystery woman is.

About the Author

Cara D. Brown is a preschool teacher who lives in the San Francisco Bay area. This is her first book, which she enjoyed writing with her 9-year-old nephew, Zachary.

Escape from Paradise

Walter F. Wild, Ph.D.

$19.99 • 304 Pages • Paperback • 978-1-44156-427-6

Will They Be Able to Escape from Paradise?
Readers will witness two psychologists as they battle in Hawaii in this heart-pounding read by author Dr. Walter Wild

A clash of values between two psychologists, Dr. Carter and Dr. Steadman, will erupt into a full-blown battle that may lead to one of them being out of the picture – permanently. Dr. Walter Wild weaves an intriguing novel that blends action, suspense, and drama into one plot, leaving readers panting from the run. Many thrilling twists await everyone in Escape from Paradise.

Dr. Carter, a psychologist who strives to transform Oahu into a community of love and equality, resorts to terror and murder in order to conceal illegal methods. Patients seeking protection from Carter rouse another psychologist, Dr. Steadman, to oppose him. While Steadman seeks to expose Carter and protect his patients, Carter tries to kill Steadman.

After skirmishes on streets, beaches, underwater, and in jungles, the intricate plot thickens and culminates in Steadman and escaped patients invading a meeting to honor Carter.

The author invites readers to immerse in a colorful new world where they experience a conflict set in a beautiful Hawaiian backdrop.

About the Author

Dr. Walter F. Wild was born and raised in Hawaii. After graduating from Punahou School, he received a BA from Yale University. Then he went to Korea as a counter intelligence agent. He received an MBA, with a concentration in finance, from Stanford University, before getting a Ph.D. in Clinical Psychology from the University of Rochester. He practiced psychology in Hawaii in a state hospital, a private hospital, and a medical clinic before starting his private practice. This background and service as Chairman of the Professional Standards Review Committee and President of the Hawaii Psychological Association form a natural background for Escape from Paradise.

He has successfully managed or advised several investment portfolios, including his own. This experience, including his knowledge in the field of psychology, led him to share his expertise in the field in his book Winning Investment Decisions.

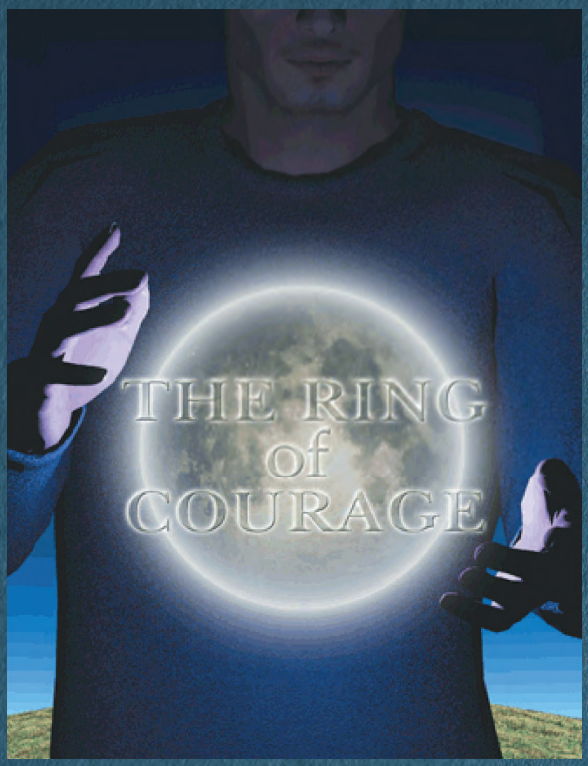
The Ring of Courage

Medha Upadhyay

$16.95 • 182 pages • 978-1-50490-030-0



Can Ria stop the Dark Lord from rising? Find out in the exciting, action-packed sequel to ***The Ring of Truth.***

From the success of ***The Ring of Truth***, comes Medha Upadhyay's second novel, The Ring of Courage. ***The Ring of Truth*** chronicles Ria's original adventures with her magical ring; and her experiences with the destruction that can happen when power gets into the wrong hands. In Book II, the adventure begins when the debris of the devil's hideout is swept in the Pacific Ocean. His cunning plans land him right in San Francisco, where Ria's family has settled down. Right off the bat, Ria learns that the evil devil, Hevorrufen La Mort, wants the powers of the ring to wreak havoc. Despite her precautions, he always seems to be one step ahead of her, leaving destruction in his wake. Desperate to keep the ring out of his hands, she enlists the help of her brother Rohan and grandfather Smithers. Together, they attempt to overthrow the darkness that is trying to control their destiny. But when the siblings are captured and find out that Hevorrufen La Mort will use the ring to free a more powerful ally, all hope seems lost. How can they stop the evil that has set out to destroy the world? Readers are about to find out in The Ring of Courage.

The second book introduces new characters that add to the mood and drama of the story. The balance of action sequences, thoughtful sentiments, and spunky moments make this read an even more engaging one. As readers follow Ria in her honorable quest to defeat Hevorrufen La Mort, they realize that everyone has the power to make a difference in the world. People can choose to be indifferent or make a sacrifice to destroy evil.

Full of unexpected twists, witty dialogue, and life lessons, this is a book you'll never forget. Though recommended for grade school readers, ***The Ring of Courage*** is a must read for the entire family.

BV
BOOK VENTURE

Does the Devil exist? there really a fallen angel named Lucifer? Are the temptations that beset mankind really the products of an evil Satan? Are the fires of Hell a reality?

Compared favorably by many to renown authors of horror and suspense such as Stephen King, Dean Koontz and Bram Stoker, Russia's Master of Horror Sergey Mavrodi introduces us to his world... the world of angels and devils, of Lucifer and Lucifer's Son, the world of temptation and seduction in his latest masterpiece of deviltry and suspense. In a world of horror and fear that is almost too realistic to be fiction, Mavrodi's characters burst forth from the pages, come vividly alive and open wide their innermost beings... revelations that will shock and mesmerize the reader, who--while filled with fear and anxiety--will be unable to put LUCIFER'S SON down until the last terrifying conclusion.

Lucifer's Son **ISBN 978-1-9429813-2-9 $17.99 2015 USA**
W & B Publishers www.a-argusbooks.com

Born of nobility in France in the year 1066, the fate of seven-year-old Tristan de Saint-Germain is thrown to the winds upon the execution of his father for treason against William the Conqueror of Normandy. Then, abandoned by his mother who remarries and departs for England, Tristan and his four-year-old brother, Guillaume, find themselves thrown into the monastic world of the Benedictine Black Monks of Cluny, France. Under the tutelage of Grand Prior Odo de Lagery, who one day will ascend to the very pinnacle of power within the Catholic Church in Rome, Tristan develops into an academic and linguistic prodigy by the age of twelve and becomes known as the 'Promise of the Black Monks'.

Tristan's unusual talents become useful to the Benedictines as well as to Rome, and the boy soon finds himself pulled into the visceral power struggle between Pope Gregory VII and Emperor Heinrich IV as they mercilessly wage spiritual, political and military war upon each other to claim supremacy over the continent of Europe.

Religious Historical Fiction Sex and Sanctimony in the '60's!

Anguish and intrigue behind the cold stone walls of Saint Therese's monastery lead to a man's quest for truth amongst the Creole elite of New Orleans.

Robin Christopher, a flawed young lawyer who spends too much time stoking his already swollen libido, finally falls in love, but the woman in question, Ariadne Alençon, leaves him to join an order of nuns. Stunned, Robin sets out to reclaim her from the Church, and becomes enmeshed in the affairs of her aristocratic family.

The truth about what happened at Saint Therese's and the corruption behind it are revealed in the final climactic courtroom scene.

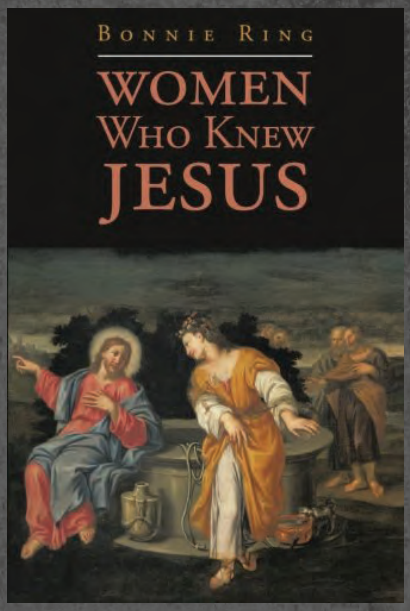
Women Who Knew Jesus

Bonnie Ring



In an era when women were barred from interacting with men outside their family, the Gospels show that Jesus contradicted that norm. In all four Gospels, Jesus is seen to be unafraid to approach women or engage in conversations with them; albeit to listen, heal, and affirm God's love and acceptance of them. In Bonnie Ring's new book, readers will witness how these Women Who Knew Jesus actually had stronger convictions about Jesus and had a greater appreciation of Him than His male disciples.

Each woman who met Jesus went away from him changed and became a faithful follower or advocate. These Biblical stories showcase that women's active participation in Jesus' life making them crucial partners to the history of God's salvation. The author designed this book in such a way that readers may become fully engaged in each woman's experience and with Jesus' response to her. As readers come to know each of these Gospel women, they will be surprised to discover how similar the stories of the women who knew Jesus are to their own experiences and how quickly their own emotions are evoked by the stories of those women. As a consequence, some will find that these women may become their role models for their own journeys of faith.

This book has questions for the reader to ponder and opportunities for the reader to reflect on the similarity of their own experiences with space provided to add their own memories and insights. As readers allow these women to speak with their own voices, the richness of their stories will touch their hearts.

This book is available online and can be purchased at www.amazon.com and www.barnesandnoble.com.

About the Author

Bonnie Ring has been a licensed psychologist for more than 40 years providing psychotherapy to individuals and couples. In 1992 she was ordained an Episcopal priest, providing ministries of pastoral care, spiritual direction, and retreat design and leadership. Her extensive higher education background includes Vassar College, New York University, Boston University, UCLA, and UCSF, in addition to her studies in theology at the Church Divinity School of the Pacific. She currently offers psychotherapy, spiritual direction, and retreat leadership through her own practice in Berkeley and Moss Beach, California, where she lives.

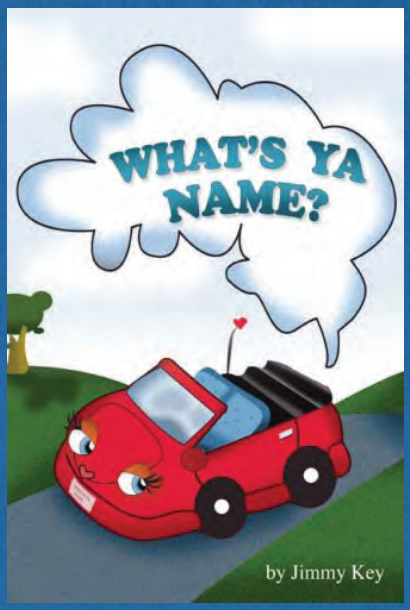
What's Ya Name?

Jimmy Key



What's in a name? There are so many things that a name does for a thing, a place, and a person. Even your car needs a name, too. And that's what author Jimmy Key shares in this vibrant picture book, What's Ya Name?

It's time to name the machine that takes us from place to place. He offers a range of names that could fit any vehicle on the road. But it's not just the names that matter here; what good is a name if you can't show it off? So, among the many different versions, find the name that would truly fit on your own personalized license plate. Whether it's MOLUV, 2HOT4U, HRDCORE, or just the 1 4 ME, no one will have to ask, What's Ya Name? anymore.

This interesting read makes it easy for those who like being different and want to be enlightened about how you can condense or abbreviate a word. It brings your thoughts back when you were a teenager – wakes up your curiosity, excites your mind.

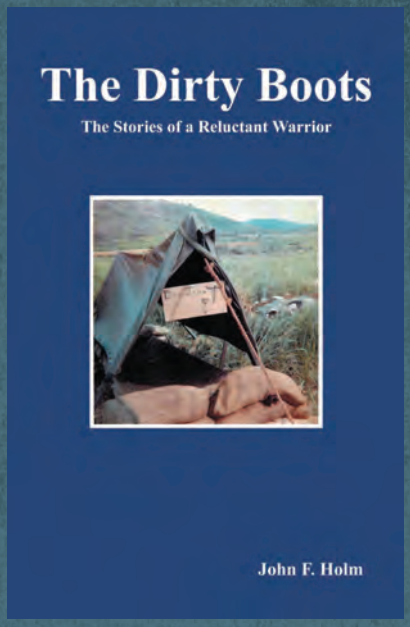
The Dirty Boots:
The Stories of a Reluctant Warrior
John F Holm



Told by a warrior who had the job of preserving and saving lives, readers get a look at combat and the people involved – from a new and unique tangent. Author John Holm's vivid descriptions of the war environment, from the action-filled days to the downtime periods in the jungle, are not necessarily gruesome, but rather, insightful and convincing. In this historical narrative, The Dirty Boots: The Stories of a Reluctant Warrior, the author shares actual recollections of the life path he followed, from a very ordinary young man to his coming of age far away from home.

Holm imparts how his comrades find self-awareness, inner strength, lifelong friendships, and endurance, as they cope with the long uneventful hours, when the mind wanders in every direction, and the high stress minutes during which every thought and action is keenly focused on the survival of others and themselves.

In this factual account of the experiences of a small mid-western town kid in the 1960's, readers will witness how he grew up to become a trained Navy Hospital Corpsman, assigned to the Fleet Marine Forces as a Medic, half way around the world in the mountainous jungles of Vietnam and dubbed "doc John" by his comrades. Patching battle wounds and caring for day-to-day ailments, he soon discovers lifelong friendships and inner strengths that will shape the rest of his life. Surviving his tour of duty, this unique warrior, who is more about saving lives, tells his stories with honesty, humility, and a touch of humor, becoming a tribute to the human spirit.

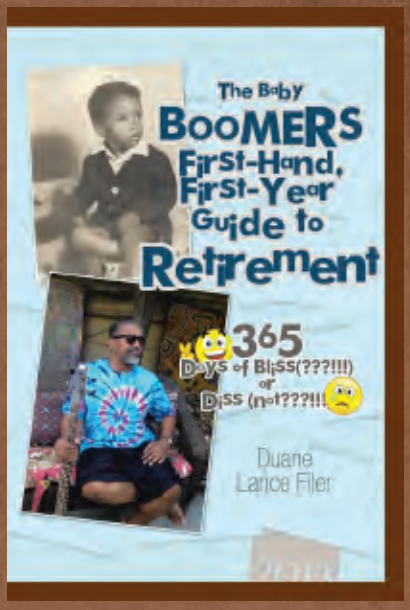
The Baby Boomers First-Hand, First-Year Guide to Retirement

Duane Lance Filer



Many are excited to retire; others are afraid to. For those who are thinking about retirement, retiring soon, or recently retired, this book is a helpful resource because it's a raw, candid, and honest view of that first moments of retirement. In this first-person narrative of his first 365 days of retirement after 30 years of work, author Duane Lance Filer shares his mind and heart so readers will get a glimpse of what to expect at that life stage. The Baby Boomers First-Hand, First-Year Guide to Retirement is a personal journal of what really happens that first year after one retires.

In these pages, through the author's eyes, readers get to experience the day-to-day emotions, feelings, projects, questions, anxieties, etc., that retirees have or feel as they enter this phase in their lives. This could provide some insight and guide to stepping into the last phase of life. It's a daily journal that allows the reader to follow along as he experiences the chores, the life, the new budgeting, the wife, the questions, the emotions, and so much more.

"simply a personal essay of my first 365 days of retirement, featuring real names and real people… Included are personal pictures and anecdotes of my 2013 journey that sheds light the everyday minutia of retired life," says the author.

Each month, in this book, is a chapter, with some insightful thoughts at each end of the chapter, sharing what he's learned and experienced, including the music he listened to. It unveils his inner feelings, displaying what others expect, and some pictures of his many experiences.

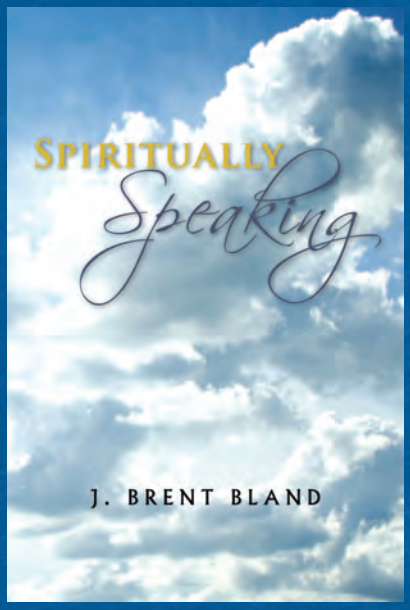
Spiritually Speaking

J. Brent Bland



Going back to the basics of spirituality, pastor and author Brent Bland hopes to bring back hope and inspiration in the hearts and souls of every Christian with his book, Spiritually Speaking. He wishes to touch countless souls with this inspiring read.

For a decade or more, he has experienced a deep, inner impression to write a book, and because his greatest love in life is God and His perfect Divine design for all of mankind, then it is but fitting to write and release Spiritually Speaking. Everyone is currently living in a world that is suffering untold misery because mankind, God's creation and the only part of creation with a soul, has turned its attention away from a Holy, Sovereign Creator, and is running out of control into eternity hopelessly lost.

In this book, he includes biographies of very special people in his life because he believes that relationships can make or break people. It is in these priceless relationships that the author found transformation – found God and His cause.

The world may be "afraid" of God and "afraid" that everyone will over-spiritualize everything. But the spiritual aspect of life is actually "real life"; and that's what this book hopes to share.

About the Author

Brent Bland is the pastor of a thriving Wesleyan-based Community Church. He and his wife Jennifer were part of the group that founded the church in early 2006. He accepted God's call to preach in 1993, and is currently in his third pastorate. After experiencing the tragic loss of their own teenage son, he has a passion for ministering to those who have suffered the untimely death of a child. His wife serves in the community and church, and enjoys sharing her gift of hospitality. Brent and Jennifer were married in 1979 and have an adult son, Tyler. The couple resides in rural El Dorado Springs, Missouri.

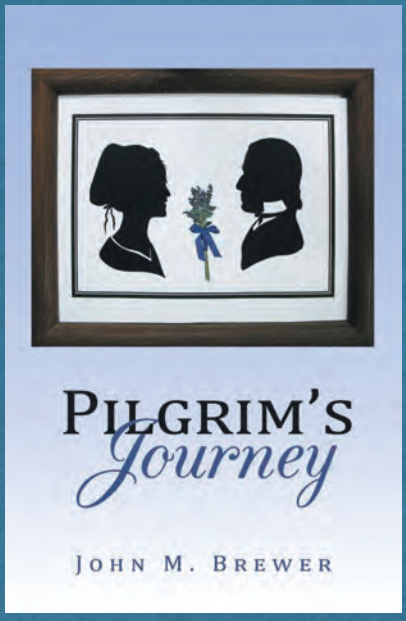
Pilgrim's Journey

John M. Brewer



Following the successes of his fictional and historical romantic novels, author John M. Brewer yet again brings forth love, war, drama, rejection, social hierarchy, and passion in his book, Pilgrim's Journey. A promise to his first love and a determination to succeed in his endeavor will stir the hearts of every reader as they leaf through these pages.

In this novel, readers will meet Thomas Wyeth, who dreams of a future with his first love in Colonial Boston. She suggests he becomes a doctor. Because he wants to improve his standing with her wealthy parents and for her, too, he works his way from berry patch to the halls of Great Britain's finest medical school. But just before he is to make the long voyage, he is shattered by her admission that her parents have arranged a marriage for her with a wealthy Tory merchant's son. He regretfully leaves his family behind to secure some sort of future as a doctor.

After graduation, he settles into a joint practice in London and falls in love with an apothecary's daughter. But as the Revolutionary War rages on, he is haunted by fear for his family and by a promise he made to his first love. He joins His Majesty's army to return to the Colonies to find them and save them if he can… or even just learn their fates. But what awaits him when he returns to the people of his past?

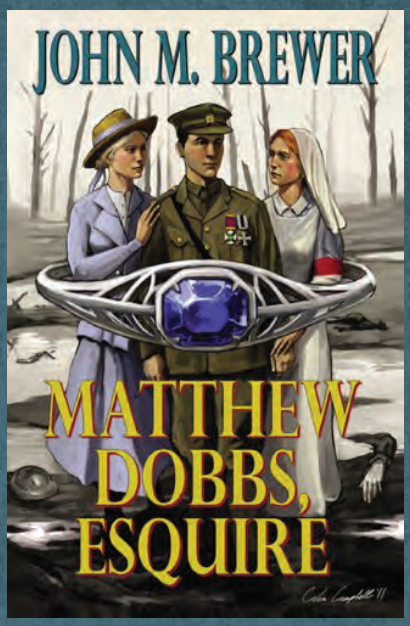
Matthew Dobbs, Esquire

John M. Brewer



No matter what the odds are, intelligence and determination can win one's heart's desire – with a little help from luck, too. And that's what author John M. Brewer shares in this historical novel, Matthew Dobbs, Esquire. Readers will find themselves in the middle of the conflict between romance and social conventions, and they will also realize how social conventions can change.

England before World War I was a very class-bound society. Matthew Dobbs, orphaned at four years old, grows up with no social status. Though he grew up outside the class structure, he wants to become a gentleman, especially after meeting an upper class young woman of a titled family – with whom he falls in love. She agrees to marry Matthew, but her parents are very opposed; so she marries an upper-class cavalry officer.

Then WWI begins and changes everything. Matthew is forced to enlist in the British Army fighting the Germans in France. He gets an officer's commission and serves bravely. He rises to major and is twice decorated. He is lucky: he leaves the Army in good health and a decorated officer. Then he meets the younger sister of the woman who jilted him. She is serving as a Red Cross nurse, and places less value on social origins and background. But can Matthew overcome his rejection by the older sister and the memory of a lost lover?

Golden Mary

John M. Brewer

With passion, conflict, and love, an ensemble of engaging characters takes readers back to England in 1536, the time when the Middle Ages ended and the Modern Age began. Author John M. Brewer brings forth this historical romance novel for everyone to get a look and feel of a memorable period in history through the mesmerizing Golden Mary. Readers will get to know Henry, the heir to an estate in Henry VIII's England, who is a little bit immature. But he must survive a series of murderous attacks or tests of leadership before growing to become a worthy mate of a beautiful, wealthy young woman.

There's a bit of bad history between Master Henry Barrowby, a member of the Commons for Bedforshire, and nobleman Lord Lavenham. Barrowby was once engaged to Mary Swanford, whose family's land bordered his. But Lavenham stepped in and seduced Mary, leaving Barrowby heartbroken.

While helping Master Easterling, a wealthy London goldsmith, purchase church land seized by Henry VIII, Barrowby meets Easterling's daughter, Mary. Ironically, Lavenham is now courting Mary Easterling, a beautiful blond and intelligent woman. Barrowby warns Mary of Lavenham's past romantic dalliances and shenanigans.

While shopping in London, Barrowby is attacked and seriously injured by Lavenham's minions. No longer safe in his current lodgings, the Easterling family hides Barrowby during his recovery. Mary and Barrowby become lovers and plan a wedding. But Lavenham is not to be deterred. His henchmen and hirelings lure Henry out for repeated attacks, abduction, and murder in this contest of wits over church lands and the love of Golden Mary. But who will ultimately own the church lands and possess the heart of Golden Mary?

About the Author

John M. Brewer is a professor of biochemistry and molecular biology at the University of Georgia where he has been a faculty member for nearly fifty years. His wife, Mary Sue, has contributed to or created nearly all the covers of his books, including this one. This is Brewer's sixth book. Readers can visit him online at www.historomance.com.

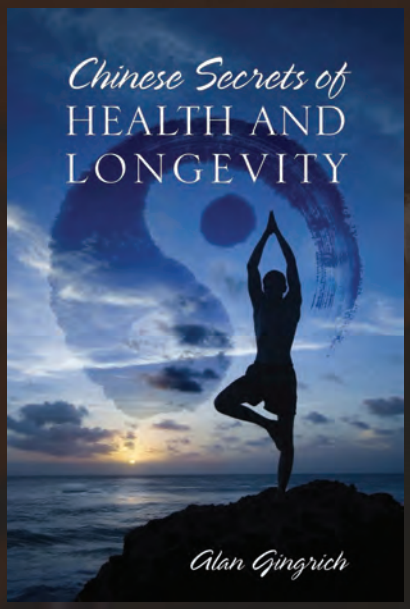
Chinese Secrets of Health and Longevity

Alan Gingrich



Private practitioner, Dr. Alan Gingrich, reveals the Chinese Secrets of Health and Longevity. For those who are mindful of their health and overall well-being, this book is a great reference and companion to achieve a healthier and better life. From energy flows and balance to breathing exercises and meditation techniques, this shows the vital connection of the physical body, the spiritual being, and the energy field.

Chinese medicine emphasizes the balancing of energy through acupuncture and herbs, among other things. For thousands of years, the Chinese have believed that a person's emotions and beliefs – along with social, physiological, and psychological factors – all affect the immune system and, therefore, the aging process. By using gentle, safe techniques such as meditation and breathing exercises, the body's energy can be awakened, strengthened, and circulated evenly throughout the body. The result is that physical, mental, and emotional challenges often disappear as the mind and body begin to heal themselves and act as one.

This book provides a connection between the physical body, the spiritual being, and the energy field. It covers a variety of helpful insights and techniques, which include traditional Chinese medicine, diet therapy, Qi Gong exercises, breathing exercises, self-massage, meditations, and charts that develop physical, spiritual, and energy flow.

With clear, concise language and excerpts from ancient classical texts, this book lays out what everyone needs to know for a longer, healthier life.

This book is available online and can be purchased at www.amazon.com and www.barnesandnoble.com.

About the Author

Dr. Alan Gingrich entered private practice in alternative and preventative medicine in 1980 after twelve years in biological research. He received his Doctorate in Chinese Medicine from the Occidental Institute of Chinese Studies in San Bruno, California; a Diploma in Homeopathy from the Brantbridge Forest School in Sussex, England; and a Certificate in Diagnostics from the Yunnan Medical Research Insitute in Kunming, China. Dr. Gingrich currently lives in San Antonio, Texas.

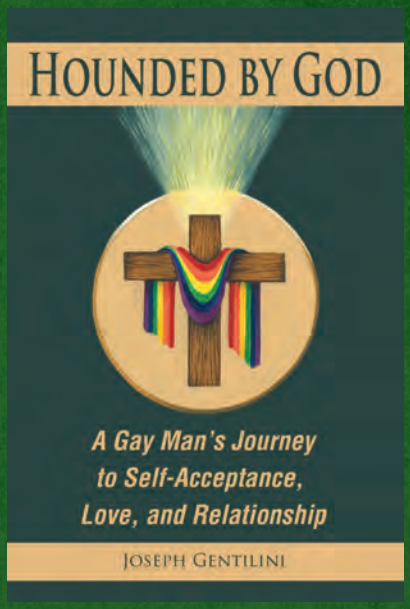
Hounded by God:

A Gay Man's Journey to Self-Acceptance, Love and Relationship

Joseph Gentilini

Readers to Witness a Gay Man's Struggles in Faith and Love
Author shares his painful, spiritual journey through self-acceptance, love, relationships, and union with God



Author Joseph Gentilini pours his mind, heart and soul into writing this book to share to all the deep pain and fulfilling joy of what he went through as an active gay man, from his revolt against that voice of God to his final acceptance with God's grace of his gay identity given to him by God. In Hounded by God, he writes of the range of emotions he embraced from fears, tears, despair, to hope and joys.

Born in 1948, the author was raised in a strict Catholic-Christian spirituality when homosexuality was considered a mental illness or major sin. In this book, he shares his struggle he had in integrating his homosexuality with his spirituality. He experienced God hounding him to accept his gay identity and to believe that God loves him as he is. Hounded by God also shows the successful struggle that his family had in accepting him as a gay man in relationship with his spouse.

This autobiographical journal reveals his gradual awakening to live this vocation, not only as a gay in a relationship with his partner and with God, but also as someone willing to share his journey with those who struggle with their homosexuality and their faith.

About the Author

Joseph Gentilini was born in 1948 in Columbus, Ohio, in a strict Roman Catholic-Christian faith. He obtained his undergraduate degree in Social Welfare in 1970, master's degree in 1974, and doctorate degree in 1982. In 1971, he began working for the State of Ohio's Bureau of Vocational Rehabilitation as a counselor and retired from state service in 2003.

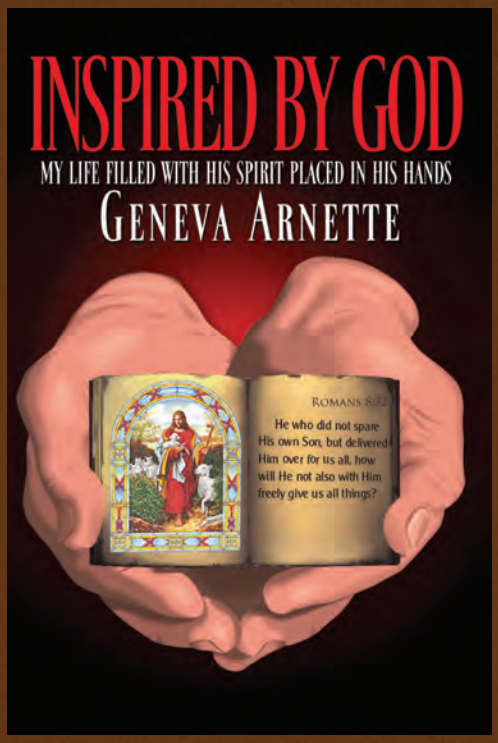
INSPIRED BY GOD

MY LIFE FILLED WITH HIS SPIRIT PLACED IN HIS HANDS

Geneva Arnette

Finding True Love on Bended Knees
Author shares her life story of being hurt, traumatized, and healing from the pain through Christ Jesus



From the depths of author Geneva Arnette's heart and soul comes a beautiful true story of pain and joy. She was truly Inspired by God to be whole again by picking up her broken pieces and surrendering them all to Him. Readers will feel the emotions she tried to hide, accept, embrace, and share as they follow the author from her life as a broken young girl to her healed self.

Her growing up years were full of drama – all the pain and hurts as a child abused by his father, raped by an uncle, and sheltered upon a mountain not being able to go anywhere and feeling insecure. She thought that would be everything for her; however, God came into her life. She finally felt the many miracles she thought she would never have. Finally, God gave her something to live for.

This memoir shows how the author was looking for love that she didn't find through her parents; and ultimately found that true love upon her bended knees, through Christ Jesus. He started healing her through the inspiration He would give her in writing songs, poems, and books.

True Friends: The Story of God and Abraham

by Rev. James

Young readers get to experience the special friendship that Abraham and God share as they leaf through this interactive book. Rev. James' ***True Friends: The Story of God and Abraham*** allows children to discover that they, too, can start and keep a strong connection with God. It's an interactive read with a beautiful story and activities for children.

True Friends: The Story of God and Abraham gives readers the opportunity to gain knowledge about the special relationship between God and Abraham. This story will help them to relate it to their own lives. They will obtain an understanding of what it means to have a special relationship with God. For just as God loved Abraham enough to make promises; He also loves and continues making promises to everyone. His promise is one that everyone can always count on, even though people can't figure out how, when, where, and why.

The activities will help readers understand more and more about God and His relationship with humankind. It is an opportunity for children to understand what it means to have a special relationship with God.

About the Author

Rev. James is an itinerant elder in the African Methodist Episcopal Church. She has served in many different capacities in the Church and has a great desire to share the stories of the Bible with children so that they can develop a meaningful relationship with God. Rev. James has been a public school teacher for over 35 years and currently works for the Prince Georges County, Maryland Public School System. Her education includes a Bachelor of Science Degree from Bowie State University in the area of Early Childhood Education and graduate coursework from the University of Maryland, George Washington University, Walden University and Maple Springs Bible College and Seminary. She is a native of Charles County, Maryland and is married to Benjamin James and is blessed to be a mother and grandmother. Her greatest joy comes from spending time with family and friends.

Terpsichore

John M. Brewer

Author John M. Brewer explores the consequences of a disconnect between love, sexual expertise, and imagined social status in the midst of a World War, in this novel filled with emotions and passion, Terpsichore. He introduces readers to three people who are caught up in the turmoil of the First World War; the hero and his wife are torn apart and must find their way back to each other, despite the man who tore them apart.

Michael is a rather unattractive young man with only one social skill – he is a good dancer. Alice is an intelligent librarian from a very lower class background who wants a better life. Henry is a handsome and controlling seducer of other men's wives. Michael meets Alice, who marries him to have that better life.

World War I intervenes to tear Michael away from Alice. Michael has to join the British Army and while he is away, Alice is left vulnerable to the bogus upper-class charms and seduction of Henry. Michael's return breaks up the affair but the cad is humiliated and vows revenge on them because when Michael also finds out the names of other women Henry seduced, he informed their husbands.

What would Michael and Alice face in their relationship after all this conflict and drama? Readers are about to find out in Terpsichore.

About the Author

John M. Brewer is a professor of biochemistry at the University of Georgia, and the author of more than a hundred scientific publications.

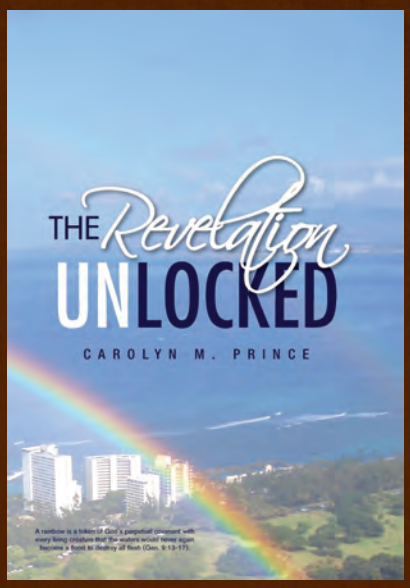
The Revelation Unlocked

Carolyn M. Prince



It may seem like God's promises were just promises. But the truth is that His promises have never been broken, just left unfulfilled. In this book, The Revelation Unlocked, author Carolyn Prince answers many questions regarding end-time prophecies. Prophetic events in the Book of Revelation have been locked from man's understanding ever since they were given to John two millennia ago. However, God has never intended that His people be in darkness during the fulfillment of end-time prophecies. At last, symbols in Revelation, as well as other parts of the Bible, are explained from Scripture in a way that can be easily understood. This enlightening, thought-provoking, and easy-to-read book includes many end-time details never before pointed out in Scripture.

"A detailed look at Revelation and prophecies concerning the end times… she believes that the current political situation in Israel and the politics of the Middle East are part of the eschatology of Revelation.: - Kirkus Reviews

"Sincere and intelligent, Prince offers a few twists to the usual Revelation prophecies, including her announcement of a contemporary time frame that may attract a new interest in this often-examined subject." – Clarion Reviews

This book tells about the redemption of Israel and explains the series of events by which God will bring into effect His promises given in Genesis to Abraham, Isaac, and Jacob; ultimately revealing His supreme power over all creation. It explains many of the mysteries of the book of the Revelation and other books of the Bible. It also tells about the redemption of Israel. In explaining end-time prophecy, it is pointed out that the Dome of the Rock will be destroyed by early 2016, making a way for Jews to offer sacrifices to confirm a covenant on the Day of Atonement, October 12, 2016, which begins at sunset Jerusalem time the previous day. These sacrifices will be offered in confirmation of a seven-year covenant with Israel, and will mark the start of the tribulation period.

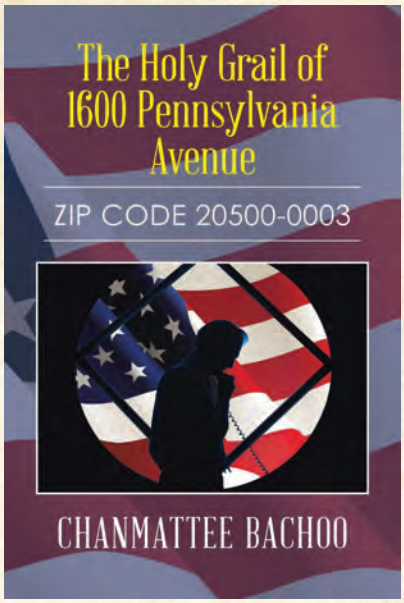
The Holy Grail of 1600 Pennsylvania Avenue

Chanmattee Bachoo



Everyone dreams of their child or children, whether male or female, to grow up and become a leader or be successful in another field. What if that child is destined to be the President of the most powerful country in the world? Author Chanmattee Bachoo weaves a compelling novel about the life of an American President and the issues he must face every day in The Holy Grail of 1600 Pennsylvania Avenue. Though it's a political drama, it's also a little bit funny and very rewarding to read.

Here is a young man with a family, who started early in life and later became the President of the United States. Readers will follow his daily activities in the White House; his views on the many issues he must face; his conversations with his colleagues; and his bond with his family. The author makes this read as realistic as possible that this story has some truths that readers can relate to.

Immigration is and has always been a very hot topic. In this book, the author includes reflections and issues that took place years ago and is currently being worked with to remedy this particular situation.

It is a must-have and a must-read about present-day life and a reflection of the past and the present and future of this country.

About the Author

Chanmattee Bachoo, a United States citizen, lives in New York and loves writing. She comes from Trinidad & Tobago, and is keeping the faith. She is a first-time writer, and she loves it.

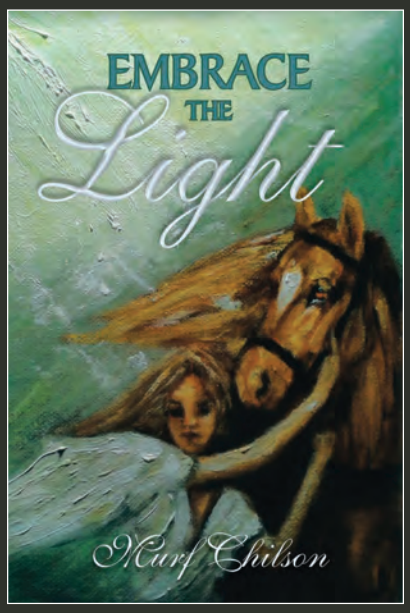
Embrace the Light

Murf Chilson



With an enchanting blend of basic fairy tale ingredients, author Murf Chilson new book, Embrace the Light, takes readers not to a far faraway land, but to England in the 1930s. The author invites readers to enjoy this beautiful tale about never losing hope.

Embrace the Light magically intertwines the stories of Cinderella, Snow White and Sleeping Beauty into one in this engaging story set in England in 1930. Readers will meet an evil stepmother, a prince charming, and endearing animals.

In this inspiring tale of never losing hope in the face of darkness and despair, readers get to follow the characters as they steadfastly overcome the challenges and end up victorious.

About the Author

Murf Chilson lived on a farm for 17 years where there were many animals. Her personal experience while living there furnished her with many tales to be told. In addition to this personal experience, she has 2 diplomas from the Institute of Children's Literature located in W. Redding, Ct. and is presently enrolled in The Long Ridge Writer's Group—also in W. Redding, CT.
